- ◆ The Board of Supervisors made no adjustments to this fund.

Mission

To provide the residents of the County with safe, decent, and more affordable housing for low- and moderate-income households.

Focus

Fund 965, Housing Grants, was established during the Board of Supervisors' deliberations on the FY 2000 Adopted Budget Plan to separately track grants which are awarded to the Fairfax County Redevelopment and Housing Authority (FCRHA). This Fund provides accounting for two Grants: the Housing Opportunities for Persons With AIDS (HOPWA) Grant and the Resident Opportunity and Self Sufficiency (ROSS) Grant received by the FCRHA from the U.S. Department of Housing and Urban Development (HUD). The HOPWA Grant is an annual award that provides rental subsidy assistance for approximately 26 to 30 low-to-moderate-income persons with HIV/AIDS. The ROSS grant is a three-year grant that provides supportive services, resident empowerment activities and assistance to public housing residents in becoming economically self-sufficient. Currently the Department of Housing and Community Development and its partners, Psychiatric Rehabilitation Services, Inc. and the Fairfax Area Christian Emergency and Transitional Services Inc. are administering two ROSS programs – the Resident Service Delivery Model program and the Neighborhood Networks Program. These programs are serving public housing residents at the Audubon, Ragan Oaks, Barros Circle and Robinson Square properties.
